

## THE IRON TRADE.

### A Feeling of Depression Everywhere Prevailing.

PHILADELPHIA, June 13.—The feeling has been rather a despondent one during the past two or three days in the iron trade and, as a matter of fact, there is little room for any other feeling. The prevailing influences have been the announcements of financial difficulties by companies both here and in the West and a suspicion that others are not in much better condition. A further reduction of prices by the Thomas-Iron Company has also had a depressing effect, although the decline had been expected for several days. Add to this the fact of continued heavy production of finished iron in Pittsburgh, without a single cheering feature in the other direction, and the despondency is fully accounted for. Prices, as a rule, have not been affected to any appreciable extent, but there is less demand and business is restricted to the narrowest limits possible. The outlook is exceedingly complicated, and even the most experienced men in the trade are at a loss to know what course to pursue. A large proportion of the output is being sold at prices which cannot leave the slightest margin of profit to the manufacturer, but one way or another, enough business seems to be picked up to keep things moving; hence the desire to run along, hoping that something more favorable will turn up later on. The fact of so many being in the same condition, however, make it all the more unlikely that the next turn will be for the better. A stronger demand or a reduced production seems to be the only certain remedy for the present condition of affairs.

### A Tug Explodes.

TALLAHASSEE, Fla., June 13.—The boiler of the tug Athlete exploded Monday morning near Fernandina. Captain Devette was blown through the wheel-house and killed. The other men were internally injured. The tug was wrecked.

## AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dizziness, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A sufferer from Headache writes: "AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers."

W. L. PAGE, of W. L. Page & Bro., Franklin St., Richmond, Va., June 3, 1882. "I have used AYER'S PILLS in numerous instances as recommended by you, and have never known them fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable."

Mexia, Texas, June 17, 1882. The Rev. FRANCIS B. HARLOWE, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.
